Important Points

- This letter only confirms that the project applicant and identified collaborators have been formally included in the project consortium.
- Consortium members are required to proceed as quickly as possible to a demonstration and submission of results to the ETV review panel.
- All technical and commercial information shared by parties must remain confidential.
- The parties should restrain from any press releases or make claims publicly regarding outcome
 of the ETV process until they have received the verification confirmation letter from the ETV
 panel.
- The parties may share this letter with their own relevant stakeholders.
- The ETV process is administered by cGanga led by IIT Kanpur under the aegis of National Mission for Clean Ganga, Ministry of Jal Shakti, Government of India.

Authorised Signatory
